

# Announcements March 23, 2025

Hello Fellow Indivisibles,

Tucson actions are getting attention and having an effect!! The action at Rep. Ciscomani's office on Mar. 20 got good coverage from the local TV stations, as did Mark Kelly's Friday Town Hall, and the Sat. Mar. 22 event at Catalina High School with Bernie Sanders, AOC, and Greg Casar -- which was expected to host about 3,000 -- drew 20,000 people!!!

Here are some announcements and information about upcoming events.

First, there was a broken link in the State Newsletter that went out this past Wednesday, when it referred to the page on our website about our elected officials. Here is the correct link:
