## (1) Yesterday's Hands Off! Tucson Fights Back! event

Yesterday's Hands Off! Tucson Fights Back! event at Reid Park was huge and a huge success! The event was organized by Mobilize Tucson and 50501, and assisted by Indivisible Tucson. Best estimate of the number of attendees is at least 10,000 and maybe as many as 15,000! Energy was electric and the signs were amazing!! Post your photos/videos on social media and use #HandsOff #HandsOffAZ. Thanks to all who were able to come for showing up and making this a peaceful, strong event with REAL IMPACT! And many thanks to the organizers, Mobilize Tucson and 50501, for setting up the event, running it, and providing safety monitors and medics.

There was coverage in the local press, the Daily Star had an article (paywalled, but if you don't subscribe and you want a copy I'll pdf it up for you):
