

## ITAA General Meeting Minutes - Monday, December 1, 2025 –

*81 participants on Zoom*

Margrit McIntosh: Co-chair and Host

- Welcomed everyone and encouraged them to share good things happening in their life.
- Introduced our guest speakers and provided background information on them.

### **Guest Speaker JoAnna Mendoza, candidate for CD6**

- A daughter of farm workers in Pinal, she learned about hard work and what it meant to depend on the programs that helped them make ends meet.
- She joined the military at 17 to learn a skill set and get out of poverty
- Her military leadership skills led her to work for Tom O’Halleran, perform policy work for the legislature and advocacy work for a non-profit.
- Now she is ready to fight to uphold our Constitution and preserve our democracy.
- She has raised \$2 million so far, out-raised Ciscomani in the third quarter, received endorsements from Senators Kelly and Gallego and Gabby Giffords and numerous others.
- Estimates suggest it will take \$12-15 million to win.
- CD 6 has 80,000 vets and 2 military bases making military candidates popular with Arizona voters.
- Jo’s campaign is already reaching out to rural communities and Independent and moderate Republicans to find common ground on the issues of health care, the cost of living, jobs and the economy.
- In addition to supporting her campaign, JoAnna recommends signing up for her monthly newsletter with her assistant at [Kyle@joannamendoza.com](mailto:Kyle@joannamendoza.com)

### **Guest Speaker Dora Rodriguez, director of Salvavision**

- A daughter of immigrants, Dora works with asylum seekers, refugees and immigrants in Southern Arizona and other humanitarian groups like hers.
- Current horrible policies are a punishment against all immigrants, including asylum seekers who must wait 5 years for an interview and are now afraid to appear in court for fear of being kidnapped and deported.
- They came the right way under the Biden administration; they are not criminals; they have a legitimate right to be here. Now 3,000 a day are being arrested, and many are self-deporting to Nogales where they’re not wanted either.
- Salvavision supports 305 family members with food from food banks they can no longer risk going to in person. Nurses and doctors make friendly visits and advocate for them if they need medical assistance.
- Keep Tucson Together accompanies people to court and other groups alert neighborhoods when ICE is around. Other organizations are supporting women and children in need.
- We all have to do this together; we need to speak out and not be afraid.
- You can support our group by texting or calling 520-409-8026 to accompany migrants in court (Spanish speakers are recommended) or help us pack up and deliver food packages.

- Salvavision is paying rent for those who cannot and sending \$20 for supplemental food to those without other resources in the Eloy and Florence detention centers, so donations are always welcome.

### **Amy Gosla, Events Team**

- Eleven members participated in Made in Tucson Event manning our booth in 2-hour shifts, registering four new voters, and passing out our brochures.
- We received compliments on what we are doing and two new members joined ITAA; it was a beautiful day, and we met a lot of nice people.
- The Mutual Aid event will be held at Reid Park Bandshell on Sunday, December 14 from 10:00 to 1:00; show up to listen to their speakers and help members of our community.

### **Joe Alexander and Marlene Gibbons, State Action Team**

- Joe: Our team works to impact policy at the state level.
- We are facing two major challenges: 1) our team members handling various roles, and there is a very large number of elected State officials for us to track, and 2) our divided government with the Republicans completely dominating and controlling the state legislature.
- How can we influence them? On Saturday, December 13 we are meeting to lay out specific plans and set our priorities.
- We welcome more members to our team to help us address both of our challenges and prepare for 2026, a pivotal year.
- Marlene: A lot of policies at the national level impact state legislatures.
- Notify us by email if you want to join our group - [joseph.k.alexander@hotmail.com](mailto:joseph.k.alexander@hotmail.com); and [marlenegibbons93@gmail.com](mailto:marlenegibbons93@gmail.com)

### **Jim Lewison, Un-seat Ciscomani**

- We have two projects in the works:
  - 1) Wednesday, December 3<sup>rd</sup> Indivisible groups are gathering in Green Valley to push back against the Ciscomani agenda;
  - 2) we are moving beyond our boycotting of Ciscomani's office with our "MAGA Shave" roadside signs, inspired by the vintage "[Burma Shave](#)". These will allow us to take our message anywhere around the greater Tucson area.
- We have developed two sets of voter cards: "Hit the Road Juan" in English and Spanish that will be used in canvassing and handed out at our protests at Ciscomani's office.

### **Lisa Vanghn, Boycott and Build Team**

- Vote with your money; our team's "Don't Buy It" effort began on November 1<sup>st</sup> with Substack posts every day; our most popular post was against Spotify.
- We urge you to cut your discretionary spending at businesses that support Trump (boycotting) and spend your money instead at our local businesses instead (building).

- The “We Ain’t Buying It” boycott of Amazon, Target, Home Depot is a different campaign than ITAA's Don't BuyIt campaign.
- This is a lifestyle choice: build a world that supports democratic values; look for signs in the windows of small businesses.
- Our group has in-person meetings along with zoom meetings.
- Join us by going to “More Actions” on our ITAA website and help us spread the word.

### **Jeanne Hardie: Treasurer’s Report for October**

- Distributed Funds Account - beginning balance: \$7,718.15; ending balance: \$5,827.19

2025-12-01 16:29:26 From Clarence Chaplin to Everyone:

We still have many who cannot afford their healthcare premiums!!

2025-12-01 16:29:59 From Reed Spurling to Everyone:

Universal healthcare itself could help people to stay in the medical profession. I strongly reject the idea that it is one or the other. Please consider this more carefully, thank you.

Lisa Vaughn, Katherine Hess, Jack Cruikshank:👍

Tina Schlabach, Emily Ravits:👍

2025-12-01 16:30:00 From Tina Schlabach to Everyone:

I want you to win - and urge you to develop a strong healthcare platform for all. It does not sound like you have one yet.

Lisa Vaughn, Charles Grantham, Reed Spurling:❤️

Jack Cruikshank, Katherine Hess:👍

2025-12-01 16:31:10 From Karen Robbins to Everyone:

Declassifying nursing as a profession is not only insulting, but a step backwards. Prospective nurses will lose their access to educational grants for education and will have a huge negative impact on access for people interested in pursuing a degree in nursing.

Jack Cruikshank:👍

Lynden Kidd, Francesca Pardes, Lisa Vaughn:👍

2025-12-01 16:33:09 From Lisa Vaughn to Everyone:

I cannot express how critical it feels that you have a more solid answer on healthcare. Our broken healthcare for profit system is broken and too many of us are suffering the consequences of that. Please get a clear healthcare platform formulated as soon as possible so we know exactly where you stand and how you plan to fight for all of us on this issue.

Francesca Pardes, Reed Spurling, Jack Cruikshank, Jean Meconi, Katherine Hess, Melody Luepke:👍

Tina Schlabach:👍

2025-12-01 16:34:11 From Alison T. to Everyone:

What does the Democratic Party require for you to get the support?

2025-12-01 16:34:32 From Charles Grantham to Everyone:

Healthcare is one of my areas of expertise. I'd be happy to help your campaign formulate a comprehensive platform. Done this for folks in TX. What can I do to help?
